## Personal Profile

Driven Computer Science student with strong skills in frontend web development and software design. Experienced in building practical, user-focused applications including an AI-powered Computer Science interview coaching platform and an AI-Based Mobile Money Laundering System. Also possesses foundational knowledge in cybersecurity through academic projects focused on system monitoring and protection. Passionate about solving real-world problems through clean, efficient, and scalable solutions.

## Work Experience

Gained practical exposure to web development technologies and cybersecurity concepts through academic projects.

## Education

- Midlands State University
  - I am Currently pursuing a Bachelor of Science Honours Degree in Computer Science and I expect to graduate by year 2029.
- St Bernard's High School
  - 6 O-Levels including Maths and English
- Dangamvura High School

- Attained 8 points in the following Subjects; Mathematics, Physics and Chemistry with symbols B, D, D respectively.

### **Skills**

- Programming Languages: Python
- Web Technologies: HTML, CSS, JavaScript
- Frameworks & Tools: Flask
- Tools & Platforms: Git, GitHub, Netlify
- Other Skills: UI/UX Design, Problem Solving, Basic Cybersecurity Concepts, Microsoft Office Packages

### **Hobbies and Interests**

- Volleyball
- Forex Trading

### **Languages**

- Ndebele
- Shona
- English

### **Academic Result**

Dear Sir/Madam

### Re: - Application for Work-Related Learning Placement

We hereby request a place for Work-Related Learning on behalf of our student Prominence Fungurayi, (R251946T), during the third year of his **BSc. (Hons) Computer Science Degree programme**, in your organisation or institution.

The degree programme is of four (4) years duration including a one-year period of Work Related Learning which is done in the third year.

It is hoped that the Work Related Learning opportunity will develop in the student a repertoire of skills necessary to function in a multi-operational organization, resilience and consistency in the face of challenges. In addition, we hope your organization/institution will also gain from the student whom we believe has acquired enough theory during his two years at the University.

You may contact the student concerned directly when responding to this communication, but if you require any further clarification contact any of the contact persons below

Mrs N.Sarai, (Chairperson), Cell : +263773884666  
Email: [sarain@staff.msu.ac.zw](mailto:sarain@staff.msu.ac.zw)

Mr T. Mzikamwi, (Work Related Learning Coordinator) Cell: +263772650387
